**Atlanta, Georgia and Sydney Australia — November 14th, 2022** — Mawson Infrastructure Group, Inc. (NASDAQ:MIGI) ("Mawson"), a digital infrastructure provider, is pleased to announce business highlights and financial results for the third quarter of 2022.

**James Manning, CEO of Mawson**, said, "Q3 saw the Mawson team focus on the exit from our Georgia facility and the expansion of our Pennsylvania facilities, where we have both low costs of energy and large-scale expansion opportunities. The Georgia facility exit is expected to result in an unaudited \$18 million profit on sale, to be recognized in the fourth quarter of 2022. Cash and stock proceeds of sale have been received from CleanSpark, Inc throughout October and November in line with previous guidance, placing Mawson in a strong position from a balance sheet perspective given the current economic environment. Further stock earn-outs and repayment of promissory notes (including interest payments)

*related to the transaction are expected to be paid over Q4 and into Q1. Our Energy Markets Program continues to perform strongly, generating \$6.3 million in Q3, our self-mined Bitcoin operations produced \$5.9 million in Q3, and our Hosting Co-location business generated \$5.7 million over the period. We are pleased with how our diversified business has performed over Q3 and look forward to an exciting Q4 and 2023.”*
