

MAWSON INFRASTRUCTURE GROUP INC. ANNOUNCES PARTICIPATION IN METRO CONNECT USA 2025

Posted on February 24, 2025

Mawson Infrastructure Group Inc. (NASDAQ: MIGI) ("Mawson" or "the Company"), a publicly-traded technology company focused on digital infrastructure platforms for artificial intelligence (AI), high-performance computing (HPC), and digital assets, announced today that it will participate in Metro Connect USA 2025, taking place on February 24-26, 2025 in Fort Lauderdale.

MIDLAND, Pa., Feb. 24, 2025 -- Mawson Infrastructure Group Inc. (NASDAQ: MIGI) ("Mawson" or "the Company"), a publicly-traded technology company focused on digital infrastructure platforms for artificial intelligence (AI), high-performance computing (HPC), and digital assets markets, announced today that it will participate in Metro Connect USA 2025, taking place on February 24-26, 2025 in Fort Lauderdale.

Metro Connect USA is the largest event for digital infrastructure leaders, bringing together over 2,500 leaders across the digital infrastructure market. Industry-leading digital infrastructure companies, private equity funds, investment banks, analysts, innovators and industry experts engage to drive transformative business growth in the digital era.

Rahul Mewawalla, Chief Executive Officer and President of Mawson Infrastructure Group, will also be joining Metro Connect USA. Mr. Mewawalla commented, *"We are pleased to be at 2025 Metro Connect USA. We look forward to joining digital infrastructure leaders to further innovation and to meet with our institutional investors, industry analysts, partners, and our customers. Digital infrastructure platforms for artificial intelligence (AI), high-performance computing (HPC), and digital assets markets and the growth of compute applications is*

expected to be a growth driver for the overall technology industry moving forward.”

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Mawson cautions that statements in this press release that are not a description of historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words referencing future events or circumstances such as “expect,” “intend,” “plan,” “anticipate,” “believe,” and “will,” among others. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon Mawson’s current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties, which include, without limitation, the possibility of Mawson’s need and ability to raise additional capital, the development and acceptance of digital asset networks and digital assets and their protocols and software, the reduction in incentives to mine digital assets over time, the costs associated with digital asset mining, the volatility in the value and prices of digital assets and cryptocurrencies, further or new regulation of digital assets,

cryptocurrencies and AI, the evolution of AI and HPC market and changing technologies, the slower than expected growth in demand for AI, HPC and other accelerated computing technologies than expected, the ability to timely implement and execute on AI and HPC digital infrastructure, and the ability to timely complete the digital infrastructure build-out in order to achieve its revenue expectations for the periods mentioned. More detailed information about the risks and uncertainties affecting Mawson is contained under the heading “Risk Factors” included in Mawson’s Annual Report on Form 10-K filed with the SEC on April 1, 2024, and Mawson’s Quarterly Reports on Form 10-Q filed with the SEC on May 15, 2024, August 19, 2024, November 14, 2024, and in other filings Mawson has made and may make with the SEC in the future. One should not place undue reliance on these forward-looking statements, which speak only as of the date on which they were made. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Mawson undertakes no obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made, except as may be required by law.
